Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Story of the Thirty-Third N. Y. S. Vols, or Two Years Campaigning in Virginia and Maryland This volume does not propose to review the causes, rise and progress of the unhappy civil strife, which for more than two years has rent our land; neither is it designed to describe all the operations which have marked the war in the single department of Virginia and Maryland. It aims merely, as the title page indicates, at giving a narrative of one of the many Regiments which the Empire State has sent into the field, together with a description of the various campaigns in which it participated. Nor should it be inferred, from the embodying of their experience in book form, that the soldiers of the 33d esteem their services more worthy of notice than those of numerous other Regiments. The work has its origin in the general desire expressed on the part of the members and friends of the command to have the scenes and incidents connected with its two years history collected and preserved in readable shape - valuable for future reference - interesting as a souvenir of the times.
