## PASTORAL THEOLOGY: THE PASTOR IN THE VARIOUS DUTIES OF HIS OFFICE (CLASSIC REPRINT)

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pastoral Theology: The Pastor in the Various Duties of His Office An additional book on the subject of Pastoral Theology is needed at the present time, because of the many changes which have of late occurred in the modes of carrying on the work of the Church, because of the great enlargement of that work, and because new and important branches of the subject have been developed within a comparatively few years. The field of ministerial operations has become wider, fuller of instrumentalities and more intensely active. The work of the Sabbath-school, the great schemes of benevolence which are in operation for building up the kingdom of Christ, and the various new agencies which are being matured for the extension of the blessings of the gospel, may be taken as samples of pastoral duties which could not have much place in older books on this subject, because they were scarcely in existence when such books were written. It is mainly with a view to meeting this want that the present work is undertaken. It is becoming that I should state the chief reasons which may justify me in attempting a task which is so responsible and difficult. My own experience as pastor for more than a quarter of a century of a large and growing church has brought me into personal and frequently repeated and anxious contact with nearly every practical question that can ordinarily arise in the ministerial work; and my church and presbytery, being composed of families of both city and country, have afforded peculiar facilities for becoming acquainted with the duties of the pastor in their full variety.
