Random House, london, 2016. Soft cover. Book Condition: New. 23 cms. 320pp. Have you wondered why international business seems magically simple in text books but inescapably complex in reality? With international business pushing horizons, cross border activity is rampant and national boundaries are getting blurred. Economies have opened their doors and globalization is the watchword of the hour. Strategies for the Future explores the opportunities of a mingling world with remarkably discerning anecdotes and hands you the tools to master international trade. Professor Ajeet N. Mathur helps you formulate assumptions and make decisions under uncertainty in response to differences in business environments, national competitiveness, and regional and global strategies of other business players.
