Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, Mysteria, MaryJanice Davidson, Gena Showalter, Susan Grant, P C Cast, Hundreds of years ago, in the mountains of Colorado (just close enough to Denver for great shoe shopping), the small town of Mysteria was "accidentally" founded by a random act of demonic kindness. Over time, it has become a veritable magnet for the supernatural--a place where magic has quietly coexisted with the mundane world. It's a town like any other town, where the high school's Fighting Fairies give fans something to cheer about, where everyone knows your name--if not exactly what you are--at the local bar, and where the wishing well actually lives up to its name. Strange occurrences happen every day, but now the ladies of Mysteria are about to unleash a tempest of seduction that will have tongues wagging for centuries to come.
