THE MACEDONIAN PROBLEM: AND ITS PROPER SOLUTION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Macedonian Problem: And Its Proper Solution The object of this book is not to advocate the cause of any particular race or nation in their struggle to mould the future destiny of Macedonia. On the contrary, in view of the conflicting pretensions of the Balkan States, as well as the unjust designs of the greater Powers of Europe with respect to the ultimate apportionment of this province, it is assumed that the most equitable solution of this problem would be to enforce Gladstone's memorable dictum: Macedonia for the Macedonians. This principle once espoused, it becomes necessary to discuss the preliminary steps whereby it may be realized. The first step in this direction would be to check the deliberate and systematic extermination of the Macedonian people by the Turkish authorities. Then, in the second place, to provide the means for the immediate relief of thousands of Macedonians who are perishing from hunger and exposure in consequence of Turkish plunder and depredation. And, lastly, to institute reforms in the government of this people which shall conform to the requirements of civilized communities.
