Brand New Book ***** Print on Demand *****.Excerpt from Collected Papers of Henry Bradshaw: Late University Librarian; Comprising 1. Memorand; 2. Communications; Read Before the Cambridge Antiquarian Society; Together With an Article Contributed to the Bibliographer , And Two Papers Not Previously Published; With Thirteen Plates This volume consists chiefly, as will be seen, of matter which has already appeared in print. It may perhaps be thought that some of the papers were hardly worth reprinting, either because they were sufficiently accessible before, or because they have done their work. As to the latter point; most of them are valuable not only for their results, but as specimens of method: and in one subject at least, bibliography, such specimens are as much needed as ever. As to their accessibility, it is perhaps true that those who wanted them have been able to see them. But though the Memoranda were much appreciated by a few readers, not many copies were sold, while the illustrations referred to in several of them have long been quite unprocureable. Again. no. XVII of the Cambridge Antiquarian
