In this second book in a middle grade series that's sure to please young readers looking for a thrill (Kirkus Reviews, starred review), three monster-obsessed friends must take on a mad scientist who is literally stitching together a Frankenstein-esque football team. Nick, Carter, and Angelo are back to monster business as usual. They're even filming a monster movie for a school project on Building a Brighter Tomorrow. (There's a connection there somewhere, they swear.) But when a new private school arrives in town boasting a football team that's inhumanly good, the boys start to suspect they may have a real monster mystery on their hands. And what's worse, they may need help from their girl rivals, Angie, Tiffany, and Dana, to get to the bottom of it. This item ships from multiple locations.
