A classic tale of boy meets girl, falls in love with girl, and has his heart broken by said girl. Based on true events from the authors life, Racquets and Rocks tells the story of the on-again, off-again romance between Ben and Scarlett, two college kids who love each other but cant seem to make it work. After Ben bumps into Scarlett months after their last encounter, their feelings swell up once again, but will it last this time Not at all a romance, this novella is a witty look at the effect a broken heart can have on a man told in the first person. A linear story with many asides, cultural references, and back story from Ben, the main character; Racquets and Rocks reads like a story being told from one good friend to another. This item ships from La Vergne, TN. Paperback.
