This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

My knight in shining armor took the highway detour around this god forsaken shit hole. I've made peace with that. That doesn't mean I'm going to lay down like a doormat and let every cocky prick in the trailer park have his way with me." Cass lives a depressing life in a small trailer park in Eddington, Georgia, with her mother and abusive boyfriend Jackson. She works hard to barely make ends meet. But everything changes when Tucker White, the lead singer in the band Damaged, walks into her diner. He tries to show her that there is more to life than the hand she has been dealt, but Cass soon learns that being with Tucker will come at a high price.
