Brand New Book ***** Print on Demand *****.Excerpt from Notes on Walt Whitman: As Poet and Person Although Walt Whitman, as Poet and Person, remains yet comparatively an unknown, unregarded figure upon the vast and crowded canvas of our age, I feel - for reasons attempted to be set forth in the following pages - that I am in some sort called upon to jot down, while they are vivid upon me, my observations of him and his writings. And I wish to give, without delay, a fair hint of the attitude my Notes hold toward their subject, and of the premises they assume and start from. In History, at wide intervals, in different fields of action, there come (it is a thrice-told tale,) special developments of individualities, and of that something we suggest by the word Genius - individuals whom their own days little suspect, and never realize, but who, it turns out, mark and make new eras, plant the standard again ahead, and in one man personify vast races or sweeping revolutions. I consider Walt Whitman such an individual. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
