## Gene Machines (Hardback)

By Frances R. Balkwill, MIC Rolph

Cold Spring Harbor Laboratory Press, U.S., United States, 2002. Hardback. Book Condition: New. MIC Rolph (illustrator). 206 x 206 mm. Language: English . Brand New Book. Enjoy Your Cells is a new series of children's books from the acclaimed creative partnership of scientist/author Fran Balkwill and illustrator Mic Rolph. Once again, they use their unique brand of simple but scientifically accurate commentary and exuberantly colorful graphics to take young readers on an entertaining exploration of the amazing, hidden world of cells, proteins, and DNA. It's over ten years since Fran and Mic invented a new way of getting science across to children. Think what extraordinary advances have been made in biology in that time—and how often those discoveries made headlines. Stem cells, cloning, embryo transfer, emerging infections, vaccine development. Here in these books are the basic facts behind the public debates. With these books, children will learn to enjoy their cells and current affairs at the same time. And they're getting information that has been written and reviewed by working scientists, so it's completely correct and up-to-date. Readers aged 7 and up will appreciate the stories lively language and with help, even younger children will enjoy and learn...
