

Bushwomen

By Laura Flanders

Paperback. Book Condition: New. Not Signed; The Right has been using culture wars to divide and conquer for years, but in 2004, that strategy was given a new twist. In an election where women's votes were key, the Bush team used highly placed female appointees to run cover for the most reactionary administration of our time. Flanders predicted gender politics would be crucial in the 2004 race. Her prescient book is the first to investigate the Bush administration's estrogen shield. Bushwomen exposes Condoleezza Rice's complicity in human rights crimes, Lynne Cheney's lesbian novel, Karen Hughes' debt to NOW, and an insightful new chapter takes a bracing look at the 2004 election and the area to come. A New York Times bestseller, Bushwomen is the only book to unmask how the most powerful women in the world are using the rhetoric of women's rights to advance an unpopular corporate agenda around the globe. book.
