Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

POSTAL SERVICE: IMPROVED SAFETY PROGRAM NEEDED AT LOS ANGELES BULK MAIL CENTER: GGD-86-144BR

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 34 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. In response to a congressional request, GAO reviewed issues concerning working conditions at the U. S. Postal Services (USPS) Los Angeles Bulk Mail Center (LABMC), including: (1) the division of responsibility between management and employees for ensuring safe working conditions; (2) the effectiveness of LABMC procedures for dealing with injuries; and (3) the standards for determining the LABMC safety record. GAO found that LABMC: (1) has not fully implemented the national USPS program in the areas of operating safety committees and providing employees with appropriate safety training; (2) does not clearly inform injured employees of who will pay for medical treatment; (3) requires employees, when injured, to first review a packet of medical and return-to-work forms and instructions before sending them to a medical facility; and (4) does not use data from all accidents and injuries to establish and monitor local safety goals. This item ships from La Vergne, TN. Paperback.
