TWO HILLS: A STORY OF SURVIVAL BETWEEN THE LINES

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Cecilia Payne was fifteen years old, living with her father on Doctor Wunder s farm in Alexandria County, Virginia in the shadow of the nation s Capital when the Civil War landed on their doorstep. What had been a budding and affable community of farmers, war heroes, businessmen, and workmen nestled between two hills was now split with Virginia s secession and invasion by Federal troops in May 1861. What were once neighbors, almost overnight became either enemies of Virginia, the Federals or both living in constant fear. The war tested her family, friendships and even her love shared with a young Union Army deserter. Yet before the last year of the war she would lose nearly everyone she loved vowing to leave up-county and never return. Now seven years after the war, she and her daughter were back to settle her family s affairs with the Southern Claims Commission. This is a story about a young...
