Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dementia: The devastating Disease Dementia is a tragic and traumatic illness for both the sufferers and those who care for them, the care-givers. Author Brian Morgan lost both his grandmother and his mother to dementia and, at first, wanted to put the experience behind him and try to get back to a normal life. But it s not in his make-up to put aside thoughts of others and not try to help. He knew he could do little for those suffering dementia, especially in the later stages, but he did want to do something for the care-givers. He had written a short piece for his mother s memorial booklet and people urged him to expand on it to help others who were going through what he went through. A helpful dementia book is born And so, The Broth of Oblivion was born out a personal and deeply felt experience. This is how Brian Morgan put it: If these words can turn the thoughts of those involved with dementia (or simply old age) away from the shadows, it will...
