

Alzheimer s: Where Do We Go from Here?

By Lisa W Smith

Morgan James Publishing, United States, 2007. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is written from the perspective of family members of people with Alzheimer s disease. It deals with the struggles faced from a very personal experience as opposed to a book written by medical professionals or trained counselors. It not only covers the impact of the disease on the individuals suffering with Alzheimer s, but also the family members who love them. This book includes topics that our family wishes we had known sooner to help make the inevitable struggles easier to manage. About the Author Lisa W. Smith is a wife and mother. She has been married for 24 years and has a 20-year-old daughter. She was a school teacher, but has spent the last 20 years as a stay-at-home mom. She homeschooled her daughter from Kindergarten to High-School Graduation. For the past two years, she has been one of the primary caregivers for a family member suffering from Alzheimer s.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
