It s not your typical coloring book for adults. Each of these 25 mandalas is printed on a black background. Surrounded by black, each area you color will practically shine like a stained glass window. The light-and-dark contrast makes all the difference. In addition, many of these dramatic mandalas can be completed quickly. The finished art will look impressive, but the fact is, you won t need to color as much of the page to complete it. Get ready for a new way of looking at coloring pages and mandalas. Give black background mandalas a try. It s a completely different coloring experience.
